

# A View of Personal Info Management

Thomas Vander Wal

March 13, 2005 :: SXSW Interactive Festival

# Personal View

# Perceptions

# Not What it Was

# Information Shapes Us

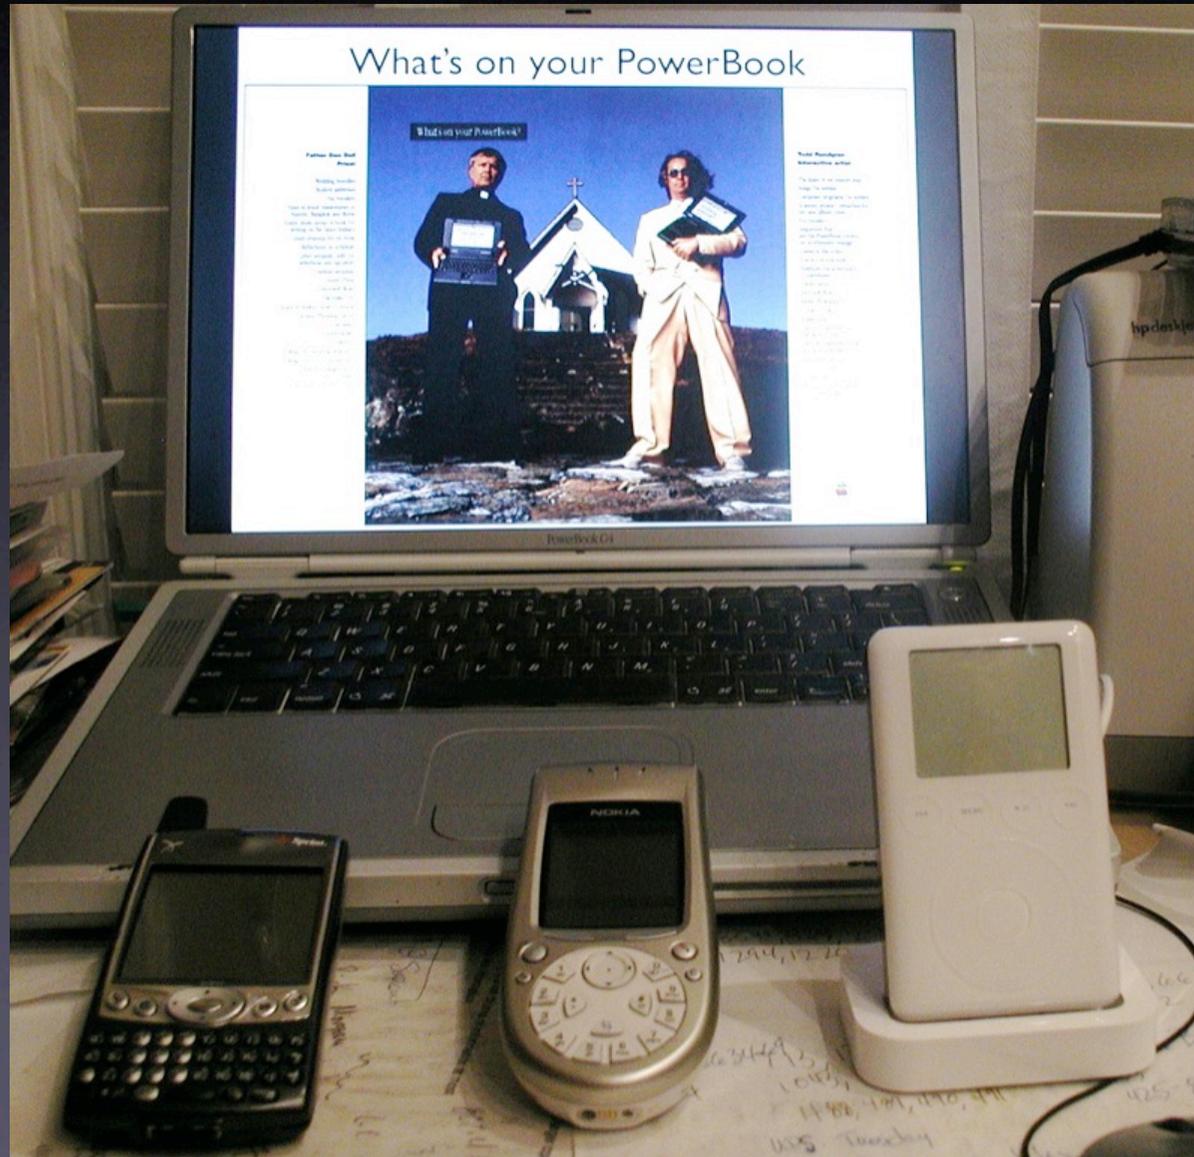

# Lost Early

# Personal Language

# That Syncing Feeling

# Building a Personal InfoCloud

- Key Attributes
  - Portability/Ubiquity
  - Access
  - Personally organized
- External storage and management
  - Flickr, del.icio.us, WebDav, Personal Portals (my.yahoo.com), e-mail, attention.xml
- Personal storage
  - PDA, laptop, iPod, desktop, keydrive
- Standards

# Personal Aggregation

- Tie our stuff together with tags/metadata
- Missing tools
- For & with whom and location are important
- Sharing based on trust and controlled by the person
